**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT AND
PETITION TO CONSIDER SAME**

Sir:

An application corresponding to this application has been filed in the European Patent Office, and Applicants' assignee recently received a Search Report in the European application which cited 4 references that are not already of record in this application. Accordingly, Applicants hereby petition that such references be considered in the next examination of this application.

The European Patent Office references are listed on the enclosed PTO 1449 Form and a copy of each of them is enclosed, along with a copy of the European Patent Office "Communication" that transmitted the Search Report and a copy of the Search Report itself.

Please note that only "A" pertinence ("technological background") was attributed by the EPO to the references cited in its Search Report. Thus, it is

submitted that none of the enclosed references is adequate to support a prior art rejection of any of the claims now pending in this application, individually or in any permissible combination with one another and/or with any of the references already of record in this application.

Under 37 CFR §CFR 1.97 (c)(1), it is submitted that no fee should be charged for the consideration of this Statement and Petition because of the following certification under 37 CFR §1.97(c)(1).

However, if any fee under 37 CFR §1.17(i) is due for the consideration of this Statement and Petition, such fee may be charged to the deposit account 15-0875 of Applicants' assignee. An extra copy of this Statement is enclosed to facilitate the charging of a fee to a deposit account.

As required under 37 CFR §1.97(c)(1) and (e), Applicants' undersigned attorney hereby certifies that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office not more than 3 months prior to the filing of this information disclosure statement. In that regard, please note that the date on the "Communication" from the European Patent Office is "24.07.03" (July 24, 2003), and July 24, 2003 is the date shown in the date received stamp of Applicants' European associates (Carpmaels & Ransford) on the Communication.
